ARTICLE 1 – INTRODUCTION

This settlement, effective the first day of January 2010, shall remain in force and effect through December 31, 2014. The County of Tompkins shall hereinafter be referred to as the County. The Civil Service Employees' Association, Inc., AFSCME Local 1000, AFL/CIO, Tompkins County Local 855, the Tompkins County White Collar Unit, shall hereinafter be referred to as the Union or CSEA.

The Public Employees Fair Employment Act of the State of New York, the other provisions of the Civil Service Laws, and local laws or resolutions now or hereinafter adopted by the County which are not inconsistent with said Act shall govern the terms of this settlement.

The subsequent Articles contained in this Agreement may be separately re-opened for negotiations with no effect on the whole, provided both the Union and the County agree to re-open the issue and no change will be adopted to become part of this Agreement except by majority vote of the Union membership in favor of doing so.

ARTICLE 2 – RECOGNITION

The County recognizes the Civil Service Employees' Association, Inc., AFSCME Local 1000, AFL/CIO, Tompkins County Local 855, the Tompkins County White Collar Unit, as the sole and exclusive representative for all employees excluding CSEA Blue Collar Unit employees, elected officials, Sheriff's Department employees, managerial and confidential employees. (See Appendix B for titles covered by this agreement.)

The Union affirms that it does not assert the right to strike against the employer, to assist or participate in any such strike, or to impose an obligation upon its members to conduct or to participate in such a strike, in accordance with Section 210 of the Public Employees Fair Employment Act.

Dues and Agency Fee Deduction – The County shall accord the Union a deduction on its payroll for membership dues as authorized by the employees, in writing, to the Comptroller's Office and Agency fees for all other non-member employees of the Unit. Agency Fee deduction shall take place for all non-member employees represented by this agreement regardless of full-time, part-time or temporary status except Board of Elections Clerks. No other unrecognized employee organization shall be accorded any such payroll privilege. The fiscal officer making such dues deduction shall transmit these amounts to: CSEA, Capitol Station, Box 7125, Albany, New York 12224.

If a change in the amount of dues or Agency fees to be deducted occurs, the Union shall notify the employer of such change and within two pay periods from the date of notification the County shall implement said amount change.

The CSEA shall indemnify and hold the employer harmless against any and all claims, demands, suits or other forms of liability that shall arise out of, or for reason of, action taken by the employer, in reliance upon payroll deduction authorization cards submitted by CSEA to the employer.

ARTICLE 3 - AGENCY SHOP

The Civil Service Employees' Association, Inc., AFSCME Local 1000, AFL/CIO, Tompkins County Local 855, the Tompkins County White Collar Unit, is an agency shop. As a condition of employment with the County, all non-exempt employees represented by the Unit who are not members of the Union will have an agency fee deducted through payroll as described in ARTICLE 2 of this Agreement. The said fee will be equal to the amount of membership dues.

ARTICLE 4 – EMPLOYEE DEFINITION

6. Transfer

If an employee transfers in the same title to another County department he/she shall remain at the same salary level in that grade. All other eligible transfers shall be hired at the Hire Rate.

7. Voluntary Demotion

If an employee is permitted to take a voluntary demotion after having been promoted, and he/she returns to his/her former position, he/she will return to the salary he/she would have been earning had he/she never taken the promotion.

8. Overtime Compensation for Non-Exempt Employees

- a) All overtime must be prior approved by a department head or his/her designee. The County will pay overtime in accordance with the Fair Labor Standards Act as long as said act has legal force and effect over the County.
- b) For non-exempt employees with a 40 hour workweek, time and a half will be paid for all hours worked over 40 in any workweek.

- c) For non-exempt employees working a 35 hour workweek, if the employee works between 35 and 40 hours in a workweek, all hours worked over 35 and up to 40 would go into their compensatory time off bank. If the hours paid in the workweek exceeded 40, the employee shall receive straight time earnings for all hours between 35 and 40, and time and a half for all hours worked over 40. Compensatory time off may be accumulated to a maximum of the equivalent of two weeks of regularly scheduled workweek hours.
- d) When it is impracticable to grant compensatory time off within a reasonable period, the department head shall recommend that payment be made through the County's overtime approval process, upon approval of the Committee responsible for the Personnel function.
- e) Payment beyond the provisions of the Fair Labor Standards Act may be provided for in this contract.

9. On-Call

a) On Call – Department of Social Services

- i) Two hours of pay at the employee's regular compensation rate for each day of on-call time from Monday through Friday.
- ii) Four hours of pay at the employee's regular compensation rate for each day of on-call time for Saturday and Sunday.
- iii) Seven hours of pay at the employee's regular compensation rate for each holiday. When a holiday falls on a Saturday or Sunday and the legal holiday is celebrated on Friday or Monday, the employee will be paid at the holiday rate for both days, i.e., Friday, Saturday or Sunday and Monday.

On-call employees will be paid straight time for hours between 35 and 40, and at time and one-half over 40 hours in a payroll week. On-call hours as defined in 9i, ii, and iii above are not included in calculating the overtime rate.

All qualified employees in the Department of Social Services with one year of service in their respective department, or equivalent, and who have completed training for serving on-call, or who are scheduled for training for serving on-call prior to the time they will have to render on-call services, shall be eligible to serve on-call.

The department head or designee will post every three (3) months a list for volunteers to sign up for on-call. Should the list not be completed by volunteers, the department head will assign eligible employees to the list in inverse order of seniority to serve on-call time. Seniority will be determined by the date the employee is appointed to any Caseworker or any Nursing title, either permanently, provisionally or temporarily, within the last two years.

An employee who has taken on-call or been assigned on-call will not be assigned by the department head to take on-call again until all eligible on-call employees have been assigned. The eligible on-call list shall be established and conspicuously posted by January 31 of each year.

Persons who became eligible to be assigned to on-call during the life of an existing on-call list will be added to the eligible list at the time a new on-call sign-up sheet is posted. In an emergency, the department head may assign an eligible employee to the on-call schedule after the point he/she becomes eligible but prior to the posting of the list where his/her name would ordinarily be added to the list.

An employee who cannot take the assigned on-call must notify the department head in writing of the reason (s)he is not able to take on-call and is asking to be excused as soon as the reason is known to the employee.

Except for emergency situations, the only acceptable reasons for not being able to take on-call are: Sabbath observance, handicap, illness with physician verification, military obligation, wedding of a family member, wedding in which the individual is a member of the wedding party, and all time off approved prior to the assignment of on-call. In an emergency, the nature and extent of the emergency must be made known to the department head and the department head may rule that an employee's situation does not constitute an emergency. Emergency situation includes death of a family member as defined in ARTICLE 15 of the current Agreement between the County and CSEA.

Employees should select the period(s) of on-call time they would like to serve, however, it remains the responsibility of the respective department head for the final schedule. If the employee who volunteered or has been scheduled by the department is unable to serve on-call, the employee may find an eligible substitute for his/her scheduled period or any part of the period he/she is unable to serve on-call. Employees must notify the department head or designee, in writing, of the substitute's name and any other information that is needed.

- 3) Approval for scheduling visits and shifts is determined by the CHN Supervisor or Team Leader as designated by the Director of Patient Services (DPS).
- 4) The rate paid for shifts will be in addition to scheduled work time, but compensatory time will not be accrued. The per-diem visit rate is a flat rate and would not be figured as overtime.

- 5) The CHN Supervisor and/or DPS will evaluate visits and or documentation time that exceed normal expectations on a case-by-case basis to determine if additional salary time is appropriate. If additional salary time is appropriate, compensatory time will be earned for actual time up to 40 hours per week and overtime for over 40 hours per week. Any anticipated overtime *must be pre-approved* by the DPS in consultation with the Public Health Director or designee.
- 6) The designated CHN Supervisor will post a calendar at least one month before the next calendar year quarter (i.e. December for January, February and March).
- 7) Nurses shall use a County vehicle, if available, to make said visits, except for mileage approved by the CHN Supervisor and exceptions noted in the policy.

- 9) As needed each quarter, Per-Diem Nurses are required to work a minimum of *four* on-call weekend shifts (Saturdays, Sundays and/or Holidays) and a minimum of *six* on-call workweek shifts (Monday 4:30 p.m. to Tuesday 8:30 a.m., and so until Friday 8:30 a.m.).
- 10) Each quarter, Administrators On-Call are expected to work ~ four weeks.
- 11) If unable to obtain coverage the Supervising Nurse will use a mandatory on-call procedure as described in the Nurse On-Call Policy (Section VIII B & D).
- 12) If the Public Health Director declares an emergency, the Health Department reserves the right to revise on-call mandates to meet critical client and/or community needs.

c) Mental Health

The Mental Health Department provides an evening and weekend coverage program for community support to law enforcement agencies. Existing CSEA staff members provide this service on a rotating basis. Each employee approved, trained and volunteering for this “after hours” coverage will be paid \$250.00 per week for the coverage period regardless of number of calls or case management activities.

10. Computation of Work Hours

Regular time shall be computed from the normal starting time for each employee’s regularly scheduled shift. In the event of tardiness the time deducted will be computed in units of one-tenth of an hour.

11. County Cars

County vehicles may not be used for personal business. The Department Head may allow an employee to drive a County vehicle to his/her personal residence when such usage will be to the benefit of the County. The personal convenience of the employee will not be a consideration.

12. Mileage

County employees authorized to use their personal vehicles in the absence of a County vehicle will be paid the prevailing Internal Revenue Service rate (the depreciation will not be considered) for the use of such vehicles.

13. Salary for Travel Time

a) Optional Travel

Optional travel is travel that has been authorized by the department head but not required. If the department head strongly encourages the employee to travel, for training or any other purpose, the travel shall not be treated as optional. For optional travel the department head or designee must notify the employee in advance of how much, if any, travel time outside normal working hours will be compensated and how much of the expenses of traveling will be reimbursed.

b) Required Travel

When an employee has been required or strongly encouraged to travel, travel time must be compensated and all travel expenses must be reimbursed.

14. Call In

Specific titles that are required to come to work as called in outside their designated work hours shall be compensated at time and one half for a minimum of two (2) hours. To be considered "Called In", the two hours must not be an extension of the regular work shift and must be approved by the Department Head or his/her designee.

ARTICLE 6 – WORKWEEK

1. The standard workweek, based on an annual salary, for all County employees shall be a minimum of 35 and maximum of 40 hours as established by the department head.

The department head shall notify affected employees of a change in the standard workweek and request a voluntary agreement to alter the workweek with a minimum notice of 14 calendar days, unless the employee agrees to waive the required notice period. New employees hired after 1/1/94 or employees who change departments after 1/1/94 will accept the standard workweek of the department. For an employee who involuntarily changes units or work location in the same title within the same department, or is involuntarily transferred to another department in the same title, the department head shall request a voluntary agreement to alter the employee's workweek.

2. Flex Hours/Days

Employees may work other than the full-time workweek hours normally worked for that department with approval of the department head or designee. Once approved, flex hours/days will not be withdrawn without notification from the department head, in writing at least 2 weeks prior to the date of change, unless the employee voluntarily waives the notification period.

The hourly rate of pay shall be the same for 40 hours per week employees as it is for 35 hours per week employees in the same grade. Any changes in the standard workweek must be by mutual consent between the affected employee and the County as represented by the department head or his/her designee and the CSEA. This is to be accomplished by a signed agreement between the parties (the agreement between the parties shall specify all the conditions of the changes in the workweek including, but not limited to, duration, option to revert to previous workweek, etc.).

3. Overtime – Shift Employees (Emergency Services Dispatchers)

If the department head or his designee determines that call-in is required to fill a shift or any part thereof in an overtime situation, the shift shall be filled by seniority, on a rotating basis. The department head reserves the right to use existing staff on shift, if available, to fill the shift or any part thereof. The department head may request holdover from employees on the previous shift and/or notify staff scheduled for the shift following the vacancy. These shall also be called by seniority on a rotating basis. The County agrees to keep a written record on mandatory holdovers. The record will be reviewed on a quarterly basis by a designated Labor/Management group.

4. Overtime Compensation for FLSA Non-Exempt Emergency Services Dispatch Employees. Overtime compensation shall be as follows except where Federal or State laws, or this contract, provide differently. The definition of overtime is defined as the computation of all hours worked by an Emergency Services Dispatcher or Senior Emergency Services Dispatcher beyond the total hours of a normal pay week. (i.e., 40 hours per week).

Except in emergencies, no dispatcher shall work overtime unless overtime is necessary and he or she has prior approval of the department head or his/her designee. The County will pay overtime in accordance with the Fair Labor Standards Act as long as said act has legal force and effect over the County. The Dispatcher must designate on an "Overtime Time Card" whether they wish to receive pay at the time plus one-half pay rate, or receive hours at the time plus one-half rate to be placed into their compensatory time off bank. Example: Eight hours of overtime is 12 hours of compensatory time off.

A Dispatcher may suggest to his or her immediate supervisor dates on which he or she would like to use their compensatory time. The immediate supervisor and/or department head will give consideration to the dispatcher's suggested dates. The sole and final responsibility for deciding the compensatory time off remains the prerogative of the department head. When it is impractical to grant compensatory time off within a reasonable period, the department head or his/her designee shall recommend that the dispatcher be paid for the overtime hours.

Payment beyond the provisions of the Fair Labor Standards Act may be provided for in this contract. An emergency services dispatcher or Senior Emergency Services Dispatcher may choose to be compensated at time and one half off in lieu of time and one half pay for overtime worked up to a maximum of 120 hours. The dispatcher is responsible to request and obtain approval to take this time off. Management reserves the right to schedule time off but agrees to show a good faith effort to grant said time as requested by the dispatcher.

Each Dispatcher can request up to 5 days of compensatory time off during each of the semi-annual time off bids.

5. Bidding Procedure (applies to Full-time ES Dispatchers only)
 - a) Shift bidding shall take place twice a year. Such bidding shall occur on or about May 10th to take effect July 1st of each year and on or about November 10th to take effect on January 1st of each year.
 - b) Vacation and holiday bidding shall occur and be completed no later than twenty-one (21) days after the shift bids are completed. Management shall circulate a schedule for holiday and vacation times for the following six month time periods; January 1st through June 30th and July 1st through December 31st.
 - c) The shift bids shall be in order of seniority, starting with the most senior, until all Dispatchers have bid or passed their bid. Seniority shall be defined as all time in service with the County. Vacation and holiday bidding shall occur concurrently by seniority on each shift (A, B & C) as determined by the completion of shift bid.
 - d) During the bid process, a maximum of two weeks and one holiday may be bid on at one time.
6. In the event a shift becomes vacant after the schedule has been posted, the ES dispatcher(s) on duty is responsible for canvassing the list of eligible full-time ES dispatchers to work the vacant shift at the applicable rate of pay.
7. This agreement does not supersede the existing contract language, which allows for the provision of holdover to cover shifts.
8. Management may grant the request for any employee to exchange tours of duty or days off, as long as the schedule will allow. Voluntary exchange of shifts may be done with the approval of the supervisor, but will not constitute overtime for hours worked over 8 hours in a 24 hour day.
9. Ordered overtime – The policies of the Tompkins County 911 Center set certain minimum staffing levels, which require three (3) emergency services dispatcher consoles to be staffed on all shifts. There will be occasions that the supervisor will have to order someone to work overtime when no one volunteers for it and these staffing levels are not met. These guidelines will be utilized when ordering overtime:
 - a) When overtime is necessary for staffing; polling for voluntary overtime shall be in the following order:

- i) Dispatchers already on duty,
 - ii) Dispatchers scheduled to come into work on that day,
 - iii) Dispatchers that are scheduled off that day,
 - iv) Dispatch Supervisors.
- b) All means of obtaining a volunteer to work (as stated in “a” above) who wants to work the overtime will be exhausted before resorting to ordered overtime.
 - c) Provided that the Dispatch Supervisor has no scheduled meetings or commitments, he/she may be used to staff a console in lieu of ordered overtime. (This is at the discretion of the Dispatch Supervisor).
 - d) As much advance notice as possible will be given to someone ordered to work overtime.
 - e) The County will make every attempt to fill a shift by splitting the shift into two (2) four-hour (4) shifts.

ARTICLE 7 – TRAVEL EXPENSE REIMBURSEMENT

No travel advance will be made to employees who travel on County business. Expenses must be covered by (a) use of a County purchase order form, or (b) use of a conference/meeting and travel/training expense voucher.

Travel expenses will be reimbursed only for travel authorized in advance, (i.e. scheduled county meetings). The maximum meal allowance reimbursement for out of County business shall be as follows:

| | |
|---------------------|---------|
| Breakfast | \$6.00 |
| Lunch | \$8.00 |
| Dinner | \$16.00 |
| Per diem daily rate | \$30.00 |

Breakfast will be reimbursed only if the employee must leave home before 6:00 a.m. Lunch will be allowed only if the employee is out of the County and cannot return by 2:00 p.m., exclusive of stopping for lunch. Dinner will be allowed only if the employee is out of the County and cannot return by 8:00 p.m., exclusive of stopping for dinner. Employees on County business who are required to travel out of the County for an entire calendar day will be allowed a per diem rate up to the maximum of \$30.00 for meals on that day. Calendar day is defined in previous paragraph.

Exceptions to the maximum meal allowance reimbursements will be allowed for expense incurred while on approved County business in or out of the County if 1) an employee is participating in an approved conference or training program, 2) meal costs are not included in any registration costs and, 3) the meal is offered as part of the conference or training program and has a pre-arranged cost. Travel refers to out-of-county travel and includes expenses for transportation, parking, tolls, meals and lodging. Reimbursements will be made for tolls and parking.

ARTICLE 8 – TIME CARDS

Each employee’s time card shall be filled out daily in ink and signed by the employee on the last day of his/her payroll period except in those departments which use time clocks. Time will be charged in units of 1/10th of an hour.

ARTICLE 9 – CIVIL SERVICE EXAMINATIONS

1. If an applicant for a Civil Service examination wants to take the examination on an alternate date, he/she must submit the request in writing to the Tompkins County Personnel Office for approval. The request must include the reason for the request and the alternate date and time for which the examination is requested to be scheduled. The Personnel Department will then respond to the applicant in writing. (See Appendix E for procedure/requirements involved in granting alternate dates.)

2. The County will comply with the present Civil Service Rules for Tompkins County as they pertain to employees' rights to inspect examination papers.

3. An employee scheduled to work on the day that he/she is to take a Tompkins County Civil Service examination, and who gives his/her department head five working days notice of the examination, shall have his/her work schedule changed to permit him/her to take the Tompkins County Civil Service examination as scheduled.

ARTICLE 10 – BENEFITS APPLICABILITY

1. Permanent and Provisional Employees

- a) All employees appointed on a permanent or provisional basis who are appointed to work a standard workweek, shall receive personal time, disability, vacation time, bereavement pay and holiday pay. They shall be eligible to sign up for health insurance.
- b) All employees appointed on a permanent or provisional basis who are appointed to work other than a standard workweek, at 33% or more of full-time equivalent, shall accumulate personal, disability and vacation time pro-rated on the basis of percentage of hours paid from anniversary date multiplied by the total vacation or personal hours a full-time employee would earn. Use of personal time shall be pro-rated on the same basis. Employees working at least 50% of the full-time equivalent shall be eligible to sign-up for health insurance the same as full-time employees. They shall receive holiday pay and bereavement pay on the following basis:

Holiday and bereavement pay is based on the number of hours per week and employee is scheduled to work divided by a standard 5 day workweek. Employees scheduled to work 40 hours per week will receive a maximum of 8 hours for a holiday or bereavement day. Employees scheduled to work 35 hours per week will receive a maximum of 7 hours for a holiday or bereavement day. Employees scheduled less than 35 hours per week will receive holiday and bereavement based on the number of hours scheduled to work in a week divided by a standard 5 day workweek.

- c) The above sub Article notwithstanding, all employees appointed on a permanent or provisional basis who are appointed to work less than 33 percent of the time on an annualized basis (86 work days per year), shall not receive any of the following benefits: health insurance, personal time, disability, vacation time, bereavement pay and holiday pay; persons working 33% to 49% of the full-time equivalent shall not be eligible to sign-up for health insurance, but shall receive pro-rated benefits; persons working 50% and over of the full-time equivalent shall be eligible to sign-up for health insurance the same as full-time employees and will receive pro-rated benefits.

(Employees working less than 50% time and enrolled in the County Health Insurance plan as of 1/1/94, may retain such coverage.)

2. Temporary and Seasonal Employees

- a) All employees originally hired on a temporary basis for longer than 120 calendar days shall be eligible for the same benefits as permanent and provisional employees.
- b) Employees originally hired for 120 calendar days or less shall not receive any of the following benefits: health insurance, disability, personal time, bereavement pay, floating holiday and holiday pay. If an employee originally hired for fewer than 120 days is continued for longer than 120 days, that employee shall be eligible to sign up for health insurance as of the 121st day and will accumulate vacation, disability and personal time from the original date of hire. An employee shall be eligible for a floating holiday if the 121st day of employment occurs prior to the last day in the last full pay cycle of the year.
- c) If an employee originally hired for fewer than 120 days receives a provisional or permanent appointment in any title in any department, that employee shall be eligible to sign up for health insurance as of the date of provisional or permanent appointment and will accumulate vacation, disability and personal time from the original date of hire.

THE FOLLOWING INFORMATION IS IMPORTANT FOR CALCULATING BENEFITS:

HIRE DATE – Last date of hire with no subsequent break in service.

FRINGE DATE – All time in service with Tompkins County (also called the Anniversary date).

ACCRUED FRINGE TIME consists of Vacation, Compensatory Time, Personal Time and includes remaining previously accrued Sick Time.

2. Employees will be granted a Floating Holiday. The Floating Holiday must be prior approved by the department head or his/her designee, must be requested by December 1 of each contract year, and must be taken before the end of the last pay cycle in the year.
- a) For part-time employees, divide the number of hours in the employee's standard workweek by 5 = floating holiday hours paid.
3. No terminal pay will be granted for the floating holiday if not taken prior to resignation notice.
4. All County departments shall close on these holidays except the Department of Emergency Response.
5. Employees scheduled to work on a holiday will be compensated at time plus one-half pay for all hours worked on the holiday. In the case of Dispatchers, the premium pay (time and one half) shall be paid for the day on which the holiday actually falls. For example, in 1999 Christmas actually fell on a Saturday. The day designated as the holiday per the contract was Friday, December 24, 1999. Under these terms, the paid holiday would have been Saturday, December 25, 1999.

Dispatchers will be credited with 12 holidays at the beginning of the contract year. Holidays must be requested by the employee and approved by the department head or his/her designee. Holidays may not accumulate to more than 24 days.

If an employee has used more holiday time at termination than would have been used with the holiday schedule referenced in the contract, payment for those days will be deducted from the employee's last paycheck.

If an employee has not used more holiday time at termination than would have been used with the holiday schedule referred to in the contract, payment for those days will be added to the employee's last paycheck.

6. If the scheduled holiday falls on the regularly scheduled day off of an employee who works the standard workweek of the department, the employee will be granted an extra day without loss of pay (see ARTICLE 10 on Benefits Applicability for rules governing holiday pay for employees who work other than a standard workweek.)
7. An employee who reports sick time both the work day before and the work day after a scheduled holiday shall be asked by the department head to provide a doctor's statement covering the illness. Payment for the holiday shall be made after the receipt of a doctor's statement by the Personnel Office.
8. Employees scheduled to work 35 hours or more per week will receive the number of hours equivalent to one work day in a five work day schedule. During workweeks containing a holiday, the employee's workweek will be a five day schedule regardless of flex schedule approved on an annual basis.

ARTICLE 12 – VACATION

1. Every employee shall be eligible to take paid vacation after six (6) months employment with the County. However, employees shall start to accumulate vacation credit as of their date of employment. No pay for vacation time will be made if an employee terminates with less than six months of service.
2. Any person who returns to work, regardless of how long they have been off the payroll, will receive vacation credit for all previous County service.

3.

| Years completed from last hire date: | | Vacation accrues at this many days per month | Maximum number of days granted per year |
|---|-----------------------|---|--|
| At least: | But less than: | | |
| 1 month | 5 years | 5/6 | 10 |
| 5 years | 8 years | 1 1/4 | 15 |
| 8 years | 10 years | 1 1/3 | 16 |
| 10 years | 12 years | 1 5/12 | 17 |
| 12 years | 14 years | 1 1/2 | 18 |
| 14 years | 15 years | 1 7/12 | 19 |
| 15 years | And up | 1 2/3 | 20 |

4. Employees with accumulated vacation equal to three years vacation days will stop accumulating vacation time, and will start accumulating when the vacation balance goes below the three-year maximum accumulation.
5. The rate of vacation pay shall be the employee's regular straight time hourly rate of pay in effect for the employee's regular job at the time the vacation is being taken.
6. All vacation time must be requested of and approved by the department head or his/her designee in advance of the vacation. The department head will be responsible for scheduling vacation time. Vacation cannot be denied to any employee by the department head in instances where vacation time will be lost due to maximum accrual and the employee has requested vacation time at least one month in advance of the day on which his/her vacation must start.
7. If a scheduled holiday falls within an employee's vacation period, he/she will be granted an extra day of vacation without loss of pay.
8. Employees who are taken sick or injured while on vacation may charge such time to sick leave effective from the time the employee sees a doctor and the doctor certifies the employee is unable to work through the period of disability covered by the doctor's statement. The doctor's statement must be submitted to the department head for transmittal to the Commissioner of Personnel.

9. Vacation anniversary dates shall not be adjusted for employees who take an unpaid leave of absence. A pro-rated amount of vacation time, based on all hours paid, shall be credited to an employee's vacation account as of his/her anniversary date. (See also ARTICLE 14 on Leaves of Absence.)
10. a) Any employee who resigns, or retires shall receive up to three year's earned vacation time if the employee gives 10 working days notice to the Commissioner of Personnel of his/her resignation and the employee works at least 10 days following such written notice. Paid vacation time received at the time of termination does not apply to any specific period of time and cannot be used to extend the termination date.
- b) All earned vacation time shall be paid to an employee who is laid off or an employee's estate upon his/her death.
- c) An employee discharged by the County is not eligible for vacation pay at the time of such discharge.
11. Vacation and holiday scheduling (Dispatchers). As of January 1st and July 1st of each year, management shall post a schedule of holidays and vacation openings for the following six months. During the months of January and July, employees may bid for holidays and vacation time off during the posted six month period. The bids shall be in order of seniority, starting with the most senior, until all Dispatchers have bid or passed their bid. After February 1st and August 1st, requests for holiday and vacation time off will be granted on a first come first serve basis. Seniority shall be defined as all time in service with the County. During the bid process, a maximum of two weeks and one holiday may be bid at one time.

ARTICLE 13 – DISABILITY AND SICK LEAVE, AND PERSONAL LEAVE

1. Employees must report all absence or tardiness as early as possible by contacting the department head and giving the following information: name, reason for absence, and length of time expected to be absent.
2. Effective March 1, 2001 the current method of accumulating sick leave will end. All sick leave accumulated up to March 1, 2001 remains credited to each employee and is available for use. In addition each employee shall be credited with 6 personal days per year which can be accumulated to a maximum of 12 days. Personal days will be credited January 1st of each year.
3. Each employee hired after the first pay period of the payroll year shall be credited (on their anniversary date) with one (1) day of personal leave per month for their first six (6) months of employment or until the first payroll period of the next calendar year.
4. Disability Leave and Sick Leave
 - a) Disability leave covers personal illness documented by a doctor's, dentist's, or eye doctor's note explaining the illness or incapacity and the expected length of absence. Disability leave is granted with full pay at the employee's regular rate, exclusive of shift premium. Disability shall be credited to each employee on their date of hire, or adjusted hire date based on total time in service with Tompkins County as follows:

| | |
|----------------------|----------|
| Less than five years | 75 days |
| At least five years | 115 days |

- b) An employee may not receive disability benefits for more than 75 or 115 days (see "a" above) in a 52 week period. Such 52 week period is deemed to begin on the date of the first use of disability time.

- c) For the first occurrence of disability use, the first three days of any period of inability to work must be covered by another fringe unless it is caused by scheduled or emergency surgery, or by emergency hospitalization. For any additional occurrence of the same illness in the same year, the first day of inability to work must be covered by another fringe unless it is caused by scheduled or emergency surgery, or by emergency hospitalization.

If an employee is restricted to part-time work by a physician, the employee shall be entitled to part-time disability after the equivalent of three part-time days have been covered by another fringe for the first occurrence, and one part-time day equivalent for each additional occurrence of the same illness in the same year.

- d) Requests for paid disability must be made by submitting a completed **Claim for Benefits** form to the Personnel Department no later than 9:30 AM, on the Monday following the end of a pay period in which disability is requested. Due to the tight time frame for processing payroll, it is necessary to establish a firm cutoff date and time. A completed claim form must be submitted for every pay period that disability is claimed. In no instance will disability be granted for periods prior to a doctor's visit. Failure to submit a Claim for Benefits form by 9:30 AM the Monday following the end of the pay period may result in the denial of disability payment for the pay period in question. It is the employee's responsibility to ensure that the completed claim form is submitted to the Tompkins County Personnel department no later than 9:30 AM on the Monday following the end of the pay period in which disability is requested. If Monday in the pay period following is a holiday, it is the employee's responsibility to ensure that the form is here prior to the Monday holiday or have the physician fax the form on Monday. Personnel will accept a facsimile of the completed Claim for Benefits form from the physician's office to the Tompkins County Personnel Office. The Personnel Department fax number is (607) 274-5401. It is not the responsibility of the Personnel department to contact a treating physician's office to ensure timely receipt of the Claim for Benefits form.
- e) Employees may use existing sick leave entitlements earned prior to the implementation of this policy up to a maximum of five (5) days prior to needing a doctor's statement. The employee may also use remaining sick leave entitlements to extend disability benefits once they have been exhausted.
- f) Disability leave shall not accrue while an employee is on disability leave or on any unpaid leave of absence. Further, employees returning from disability leave who have exhausted their disability benefit shall be required to work six (6) consecutive months before being eligible for disability leave again.
- g) The County may provide the above disability leave insurance either through self-insurance or a private insurance carrier.
- h) The County shall have the right at its discretion to verify the report of an employee's physician concerning his/her illness or disability, and may also require the employee to be examined, at the County's expense, by another physician selected by the County to determine the nature and extent of the illness or disability. As a result of such physician's statements and examinations, the County may approve or deny an employee's request for disability and establish limits and conditions for any further approval of disability leave connected with the same illness or disability.
- i) In the event an employee is unable to work due to an on-the-job injury or illness and such Workers Compensation claim is controverted by the County and/or carrier, such employee shall be eligible to apply for disability benefits during such controversy by supplying the form noted in (d) above. Immediately upon notice that a workers compensation claim is being controverted, the County will notify the affected employee of the process necessary for benefits to be made available through the disability plan.
- j) The County reserves the right to file for ordinary or accidental disability retirement on behalf of a disabled employee if the employee is eligible for such benefit and it appears the employee will be unable to return to full-time employment by the end of the 75 day or 115 day period.
- k) Any employee appointed to work less than 33 percent of the time on an annualized basis (86 work days per year) shall not receive disability leave pay.

5. Workers' Compensation

Employees who incur an on-the-job injury or illness must complete an **Incident Report** documenting the circumstances surrounding the injury or illness. Employees, at the time of injury, will be offered by the Personnel Department a choice of either option a) or option b) listed below.

- a) The employee collects weekly benefits from the compensation insurance carrier as prescribed by the N.Y.S. Workers' Compensation Law. The employee would not draw sick leave even though he/she might be eligible; OR
- b) The employee collects sick pay from the County for the period of unused sick leave and then, if necessary, transfers to Workers' Compensation benefits for the duration of the employee's inability to work. The County Personnel Office would file with the Workers' Compensation Board for reimbursement to the extent of the employee's Workers' Compensation award for the period covered by sick leave pay. The employee's sick time would be pro-rated by dividing the amount of reimbursement obtained by the employee's hourly salary at the time of incident (see example below), and would be reinstated subject to reimbursement from the compensation insurance carrier.

Example:

| | |
|-----------------------------------|----------|
| Hourly Salary | \$6.00 |
| Weekly Workers Compensation Award | \$300.00 |

Reinstate credit for sick hours (rounded to nearest tenth) based on Workers' Compensation reimbursement divided by hourly rate at time of incident. ($\$300.00/\6.00 per hour = 50 sick hours time reinstated.)

Employees requesting direct payments from Workers' Compensation should contact the Benefits Manager at the Personnel Department as soon as possible to facilitate this process.

ARTICLE 14 – LEAVES OF ABSENCE

Paid vs. Unpaid Leave of Absence

1. Occasionally an employee will need to take time off for personal reasons and will have used up all available fringe time (CTO, Personal Leave, Sick Time, and Vacation). Department heads are authorized to grant employees in their department up to the equivalent of one full workweek as time off without pay. Time off without pay exceeding one full workweek may not be taken without an official leave of absence (see Administrative Policy 03-16).
2. Tompkins County recognizes the Family Medical Leave Act of 1993 as a minimum standard. This federal law provides for up to 12 weeks of **unpaid** leave in a 12 month period for qualifying employees. The FMLA allows employers to require employees to use their paid time off as part or all of the 12 weeks of leave. The reasons an employee may qualify for leave under the FMLA are:
 - To care for the employee's newborn son or daughter.
 - Because of the adoption or foster care placement of a child with the employee.
 - To care for the employee's spouse, child, or parent who has a serious health condition.
 - Because of the employee's own serious health condition.
3. The County shall provide the same benefits under FMLA for a domestic partner or same sex spouse.
4. A leave of absence must be requested in writing and approved in advance of the leave by the department head.
5. Unpaid leave of absence is defined as all absent time in excess of five consecutive working days not paid for by the County. Anniversary dates shall not be adjusted for employees who take an unpaid leave of absence. Vacation and disability time will not accumulate during an unpaid leave of absence. An employee on unpaid leave of absence may not claim any bereavement pay or holiday pay.

6. An employee who takes an unpaid leave of absence for medical reasons must use all of his/her benefit time (vacation, sick, personal, disability and compensatory time off) before commencing the leave. An employee who takes an unpaid leave of absence for non-medical reasons must use all of his/her benefit time (vacation, personal, and compensatory time off), except sick and disability time, before commencing the unpaid leave.
7. An employee who is reinstated from an unpaid leave of absence will return to the same point on the current salary schedule held when the leave commenced. The period of the leave will not be used in determining the move to Working Rate.

Parenting Leave

1. A parenting leave shall be granted to a permanent employee at the time of birth or adoption in accordance with the provisions of this contract, at the employee's request, up to a maximum of six months subject to renewal for another six months for reasons considered satisfactory to the County.
2. A provisional employee with one years continuous service who has requested time off due to parenting from a County position where the exam for that position has not been made available since the employee's appointment, or where the exam has been given but the eligible list has not been established, will be granted the right to be rehired in the same title in the same department as granted for permanent employees in 1 above, provided the position is still in existence and no one else has been appointed from an eligible list.
3. By law, an unpaid leave of absence may be granted only to permanent employees. The agreement in (2) above to rehire provisional employees under certain conditions merely provides a benefit to certain employees who by law may not be granted an unpaid leave of absence.

Educational Leave

Employees may be granted an educational leave of absence without pay in accordance with Rule XIX of the Tompkins County Civil Service Rules.

Leaves of Absence and Health Insurance

Health insurance coverage may be continued for the duration of a leave of absence. If the employee is on a paid or unpaid medical leave, the employee shall only be required to pay the employee share of the health insurance premium. If the leave is other than a medical leave of absence or leave that qualifies under the FMLA, the employee may continue coverage by paying the total premium. If the employee does not continue paying premiums, coverage will be terminated and the employee must re-enroll upon their return to work.

ARTICLE 15 – BEREAVEMENT

In the event of a death in a County employee's immediate family (spouse/domestic partner, son, daughter, foster child, mother, father, stepparent, stepchild, sister, brother, grandparent, grandchild, or spouse/domestic partner's mother, father or children), said employee shall be entitled to three of the next 5 working days off with pay. One additional day may be used if interment takes place at a later time, e.g., weeks or months following the death of a family member. A maximum of two (2) accrued fringe days may be used to extend bereavement providing the employee has accrued fringe time available. Compensation shall be at the employee's regular hourly rate, exclusive of any shift differential, and shall not exceed the standard hours for that department. A statement covering the absence (form provided by the Personnel Department) must be signed and returned to the Personnel Department within two days of returning to work.

In the event of the death of a co-worker from the same department, the department head may approve 2.0 hours of paid leave for the purpose of attending calling hours or the funeral. The department head may deny leave if the minimum staffing of the department is not met.

NOTE: The maximum daily rate for Bereavement will be the hourly salary for the position times the number of hours per day in the standard 5 day workweek of the employee.

ARTICLE 16 – EMERGENCY CLOSING

The County can only be closed by the County Administrator in case of an emergency. All County departments, except Fire and Disaster may be closed by the County Administrator. The County department heads will identify by title and post a list of employees deemed to be considered essential under emergency closing situations. Department heads will develop a procedure for notifying essential personnel regarding the need for those employees to report to work under emergency closing situations. When the County Administrator closes any departments, all employees will be paid as follows:

- a) All employees (except those who are required to report to work under the above essential personnel procedures) not reporting to work due to an emergency closing before the work day begins will charge Code 1 (hours worked) for their normal work hours of the department and position on a 5 day schedule.
- b) Those employees who come to work on a day when the County is open and later closed, and remain at work until the County is closed, will charge Code 1 (hours worked) for their normal work hours of 7.0 or 8.0.
- c) Those employees who come to work on a day when the County is later closed, but decide to leave work before the official closing, will charge Code 1 (hours worked) for the hours worked plus the hours the County is officially closed. They must charge a fringe benefit for the period of time between when they left and when the County was officially closed. If they have no fringe benefit, they would not be paid for that time.
- d) Those employees who, prior to the day of closing, scheduled sick, personal, vacation, holiday or compensatory time, would be charged the benefit that they had scheduled for the hours the County is closed.
- e) Those employees who do not report on a day when the County is later closed will charge a fringe benefit for the period of time from reporting time to the official time the County is closed, and Code 1 (hours worked) for the period of time the County is closed, for the employee's regular scheduled work day.

ARTICLE 17 – JURY DUTY

Those employees who are scheduled for jury duty during their normal working hours will suffer no loss of pay. For any portion of the employee's normal working day not spent on jury duty, the employee will be expected to perform his/her regular County work. Those employees who work shifts other than the "day" shift, shall have their shift changed to the "day" shift in the event they are called for Jury Duty.

ARTICLE 18 – RETIREMENT INSURANCE

1. The New Career Plan (Section 75-i) of the New York State and Local Employees' Retirement System will remain in effect for Tier 1 and 2 members (those who became members of the Retirement System on or before July 26, 1976), adopted by the Board of Representatives on January 16, 1990: A pension of 1/50th of member's final average salary for each year of service when a member retires with 20 or more years of credited service. (Members with fewer than 20 years of service retire under provisions of Section 75-e).
2. For all employees becoming members of the New York State and Local Employees' Retirement System on or after July 27, 1976, provisions of Tier 3 and 4 legislation will apply.
3. All employees becoming members of the New York State and Local Employees' Retirement System on or after January 1, 2010, will be covered by the provisions of Tier 5. Unless there is additional legislation to change it, Tier 5 requires the employee to contribute 3% of their gross pre-tax salary toward retirement for the duration of employment. Employees hired on or after April 1, 2012, will be covered by the provisions of Tier 6. Tier 6 requires an employee to contribute on a gross pre-tax basis toward retirement for the duration of employment on a sliding scale based on the annual salary. Vesting (eligibility for a benefit) occurs at ten years.
4. Death benefits will be paid in accordance with the provisions of the New York State Retirement and Social Security Law.

ARTICLE 19 – HEALTH INSURANCE

1. The employees shall be covered under the Greater Tompkins County Municipal Health Insurance Consortium. The employee shall be provided the option of enrolling in one of the County's Health Insurance Plans as currently constituted and as amended in the future by Federal, State, or Local Law.
2. All employees who participate in a health care plan provided by Tompkins County automatically pay health care contributions with before-tax dollars. If the employee prefers to contribute on an after-tax basis, the employee must complete a Select Benefits form to elect that option during open enrollment each year.
3. The County shall pay 80% of the Health Insurance Premium for Single and Family coverage for participating employees. Participating employees will pay 20% of the Health Insurance Premium. To offset the cost of moving from an employee premium share of 15% to 20%, the County will (on an annual basis) deposit an amount equal to that 2001 cost, into a Voluntary Employee Benefit Account (VEBA) for each participating employee-authority under IRS Code 105(c)(9). The yearly VEBA deposit will increase or decrease by the same percentage that the annual Health Insurance Premium increases or decreases.
 - a) Employees who are not enrolled in health insurance through Tompkins County are not eligible for a VEBA payment.
 - b) Any employee hired after 1/1/2001 will become eligible for a VEBA payment on January 1 following 5 years of continuous service after 1/1/01 provided they are otherwise eligible.
 - c) Employees on an unpaid leave of absence, whose health insurance is cancelled either by request or for nonpayment, will be eligible for a VEBA payment on January 1 following their return to work provided they are otherwise eligible.
4. Upon retirement, the employee may authorize the County to convert any or all available accrued fringe time balance (i.e., vacation, personal, compensatory and/or sick time) that he or she may have at the time of retirement into a fund to pay monthly retiree health insurance premiums for as long as such balance lasts.

APPENDIX G

ALTERNATE DATES FOR CIVIL SERVICE EXAMS

A candidate is **NEVER** allowed to take an examination **PRIOR TO** a scheduled Saturday examination. This particular part of this policy is not flexible. However, if an applicant wants to take the exam on an alternate date after the scheduled Saturday, he/she must submit their request in writing to the Commissioner of Personnel for approval. The request must include the reason for the alternate date and confirming documentation. The preferred day for an alternate test date would be Monday immediately following the Saturday test. The starting time will be set at the discretion of the Personnel Office. There may be times when the preferred alternate test date is not feasible. Tuesday through Friday examination dates can be requested and will be given due consideration by the Commissioner of Personnel. Examinations beyond Friday, however, pose special security problems. An alternate beyond Friday may be possible with the knowledge and approval of the New York State Department of Civil Service. Special arrangements for the testing of candidates after the week following the normally scheduled test date or those who were on active military duty at the time of the original examination need to be set up through New York State.

Acceptable reasons for rescheduling will be:

A death in the immediate family or household within the week preceding the examination (present a newspaper obituary)

Military obligations or commitment (present a copy of your orders)

Saturday Sabbath Observance (present a letter from your religious leader)

Being a member of a traditional, religious or civil ceremonial party, such as a wedding, baptism, bar mitzvah or graduation; or be a member of the immediate family or household of the individual for whom the ceremony is being held (present invitations, or other appropriate documentation)

- Having conflicting professional or educational examinations. Professional examinations include but are not necessarily limited to: CPA, ACSW, and the Bar. Education examinations include but are not necessarily limited to: SAT, College Boards, and Graduate Records (present your admittance notice)

Vacations for which non-refundable down payments were made prior to the issue date of the examination announcement (present receipts, copy of plane tickets, etc.)

Required court appearances (present your letter)

As an accommodation for handicapped individuals (present appropriate documentation)

Verifiable medical emergency involving a hospital confinement or certification from a physician that the candidate is unable to appear for the examination due to a specific medical problem of the candidate or member of the immediate family or household (present doctor's note)

- Emergency weather conditions, verified by the local public safety agency, that leads to the closing of specific roads, highways or independent transportation services which prevents a candidate from reaching the test center (can be confirmed by contacting the Sheriff, State Patrol or Police Chief in the area allegedly closed)
- Any other verifiable situation that, in the Commissioner's opinion, would prevent a candidate from reaching the test center (submit appropriate documentation).

The burden of proof of the validity of the request is on the applicant. Ambiguities or lack of information in the request will result in disapproval of the request. The Commissioner of Personnel will be the final authority in the approval of requests. This policy supersedes and replaces any prior policy. 05/27/97
